

WinCNC Controller

PC Based Motion Control

Microsystems World CNC, LLC
microsys@wincnc.net

Warranty Policy

PCI Cards- Within 15 months from date of purchase, credit will be given for purchase price only, minus any repair fees charged to us by the PCI card manufacturer. We will RMA the card to the PCI card manufacturer and invoice our customer for a new PCI Card. Once we receive the card back from the PCI card manufacturer (this may take up to 4 weeks) credit will be given to our customer minus any repair fees.

Daughterboards- If more than 3 years old, credit will not be given. If older than revision 6.7, credit will not be given. If damaged beyond repair, credit will not be given. If purchased within 6 months and product is not physically damaged, any parts that require replacement, will be billed. If older than 6 months a testing and repair fee of \$20.00 plus parts will be charged. In the event of a manufacturer defect, within a 12 month period, full credit will be given.

Software- Microsystems World CNC, LLC makes no warranties either expressed or implied, including any implied warranties of fitness for a specific purpose, for this software. This package is provided solely on an “as is” basis. All risk involved in the use of this software is the responsibility of the purchaser.

Disclaimer- Microsystems World CNC, LLC disclaims all liability for any and all damages, including incidental and consequential damages in connection with use of this software. The sole and exclusive liability of Microsystems World CNC, LLC will be limited to the purchase price of this software package.

If you do not understand and agree with these disclaimers, please do not use this product. Return all materials to the place of purchase for a full refund.
